## What You Need to Know about Us Paying Your Overdrafts and Our Service Charges

An **overdraft** occurs when the available balance of funds in the account you have with us is inadequate to cover a check or electronic transaction (such as with your debit card or through an ATM), but we elect to pay it anyway.

We can cover your overdrafts in two different ways:

1. We have **standard overdraft practices** called **Courtesy Pay** that come with the account. They are covered in Provision 6.I. of the MSA Part 2 and this notice.
2. We also offer an **overdraft protection service** that draws funds from a savings account you have with us, which may be less expensive than our standard overdraft practices. To learn more, ask us about these services or our overdraft plans or read about them in Provision 6.I. of the MSA Part 2.

This notice explains our **standard overdraft/Courtesy Pay practices**.

## What are the standard overdraft practices that come with the account?

We **do** authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using the checking account number
- Automatic bill payments

We **do not** authorize and pay overdrafts for the following types of transactions unless you ask us to:

- ATM transactions
- Everyday debit card transactions

We pay overdrafts at our discretion, which means we **do not guarantee** that we will always authorize and pay any type of transaction (which generally will occur because you have not authorized a transaction, exceeded the overdraft limit, or have an outstanding balance that has not been repaid).

If we **do not** authorize and pay an overdraft, your transaction will be declined.

## What service charges will be imposed if you pay my overdraft(s)?

While there is no charge to authorize us to pay your overdrafts, under our **standard overdraft/Courtesy Pay practices**:

- We will impose a service charge of up to **\$30.00** each time we pay an overdraft.
- There is **no limit** on the total service charges we can impose on you for overdrawing the account (though generally they will be imposed for each overdraft transaction we pay on the account).

## To authorize and pay overdrafts on your ATM and everyday debit card transactions

If you want us to authorize and pay overdrafts on ATM and everyday debit card transactions, call 800-451-3477, visit our website at RiverfrontFCU.org, complete our Consent Form for Overdraft Services and present it at a branch or mail it to: 2609 Keiser Blvd., Wyomissing, PA 19610. You can revoke your authorization for Riverfront to pay these overdrafts at any time by any of the above methods. Your revocation must include both your name and your account number so that we can properly identify your account.

I request and **authorize you** to pay overdrafts on my ATM and everyday debit card transactions drawn on the account(s).
