

John G. Bernheiser, a past manager of Riverfront Federal Credit Union, was an unfaltering supporter of the credit union movement. His dedication and spirit enriched all of those his life touched. It was in celebration of his work and in tribute to his memory that the Board of Directors of Riverfront Federal Credit Union established the Annual John G. Bernheiser Educational Award.

To apply for our educational award, you must have an active savings account with Riverfront. If you don't already have one, visit us via [Riverfront Live](#) in a virtual video chat session accessible via our website or call us at (610) 374-8351 by May 31, 2024 and we will help you get started.

Riverfront will select five students to each receive a grant of \$2000 toward an undergraduate study program at a qualifying institution. A qualifying institution is any institution listed in the Title IV Institutional Code List, and includes colleges, technical schools, nursing schools that are sponsored by hospitals, career institutes, etc.

Recipients are chosen using a random lottery method of selection. The award check will be made payable jointly to the student and the institution.
